About the Fair
Each year, Georgia Tech American Society of Civil Engineers (ASCE) and Association of Environmental Engineers and Scientists (AEES) co-host the Spring Civil and Environmental Engineering (CEE) Career Fair. Last year, we had over 80 companies registered and crowds of students attending. This year, we are looking forward to continuing serving the civil and environmental engineering community at Georgia Tech and beyond.

Please find relevant information about the Fair below and forward it on to the relevant company representatives.
